

**BASIC PUBLIC PRIVATE PARTNERSHIP TRAINING**  
FOR OFFICIALS OF GOVERNMENT-OWNED  
**HIGHER EDUCATION INSTITUTIONS [HEIs]**

### WORKSHOP OVERVIEW

Government-owned Higher Education Institutions (HEIs) can improve their supply of student hostels, staff quarters, guest houses, refectory services, sports and laboratory facilities, etc by use of Public Private Partnership [PPP]. To this effect, this Public Private Partnership Training programme is designed to transfer the basic skills and knowledge for structuring successful PPP transactions in HEI environments.

### TARGET

Management, Intermediate and middle level officials in offices of VC, DVC (Admin), Bursary, Heads of Audit, Directors of Physical Planning, Directors of Works and Services, Heads of Legal Units, Heads of Procurement Units, Directors of ICT, Directors of Partnerships & Linkages, SAs and other persons who play roles in visualizing, planning, attracting, negotiating, assessing, structuring, supervising as well as evaluating project and partnership proposals in areas of infrastructure, services, etc.

### EXPECTED OUTCOMES

Participating institutions stand to achieve enhanced capacity to attract and manage PPP interventions in infrastructure and services

### FACILITATORS

Facilitators and content are from the Nigeria Institute of Infrastructure and Public-Private Partnership (NII3P) - an Institute of the Infrastructure Concession Regulatory Commission (ICRC)

### TRAINING OBJECTIVES

At the end of the workshop, participants will be able to:  
I. Discuss the elements of procurement of PPP  
li. Highlight the key differences between traditional

procurement and PPP procurement routes;  
lii. Ascertain if a project can be done as PPP;

lv. Carry out a basic assessment of an Outline Business Case/Full Business Case (OBC/FBC)

**DATE:** July 11 - 13, 2022
